## Masonic Trivia and Education

Sorry that there has no been an issue of The Daily Spam since Mar 15 but I have been sick and in bed. When you have a one-man show, stuff happens.

The 3 old and 17 new resolutions that will be considered at the Grand Lodge communication are available on line at <http://www.arizmasons.org/2007/resolutions.htm> so you can print and study them.

The examination of a candidate for proficiency in the previous degree was first introduced in 1850 in Louisiana. Source: "Fraternal Review", Southern California Research Lodge F&AM.

Thought for the day: Perform acts of goodness from within – 8,789 Words of Wisdom by Barbara Ann Kipfer

Quote of the Day: “When you have decided that a thing ought to be done, and are doing it, never shun being seen doing it, even though the multitude should be likely to judge the matter amiss. For if you are not acting rightly, shun the act itself; if rightly, however, why fear misplaced censure?” – Epictetus in “The Golden Sayings of Epictetus”

It was a good sale. Beyond that, it was a great sale. Mittleman Electronics has its annual blowout “Into Temptation” sale, and drastically slashed their prices. On the first day of the sale, five people entered into Mittleman’s just looking for a small item and each walked out with different large appliance. No two people went in to Mittleman’s in search of the same item. From the information provided, determine the first and last names (one first name is Lionel) of each shopper, the item for which each was looking and the major appliance each purchased (one was a microwave oven).

1. Jill Derby is not the one who went into the store looking for cassette tapes and left with a VCR.
2. The one surnamed Rosen is not the one who was shopping for a new toaster.
3. Pat, who was looking for a new iron, is neither the one named Platt nor the one surnamed Rosen, and is not the one who ended up buying a new television.
4. The person who bought a new freeze, who is not the one surnamed Yates, is neither the one who went into the store looking for an extensions cord nor the one who was looking for a toaster.
5. Sylvia, who is not the one who bought the freezer, is not the one surnamed Rosen.
6. Colin surprised himself by purchasing a new vacuum cleaner.
7. The one surnamed Mackay had gone into the store looking for a new kettle.

The following can be deduced from the above and is keyed to the printable matrix that can be found at <http://www.arizmasons.org/DailySpam/20070320PartialSolution.pdf> each day I will add another deduced clue until someone sends in a complete solution.

- a. From Clue 1 we know of one first and matching name what she wasn't looking for and what she did not buy: Jill Derby, not cassette tapes and not VCR
- b. Next clue Mar 21, 2007
