Many people sent me favorable comments concerning the return of theDaily Masonic Spam and there wasn't a single negative comment although I lost about 25 people because of bad email addresses. People have started sending me their events again so we will be up to date shortly.

Send your events to webmaster@ArizMasons.org BUT PLEASE DO NOT REPLY to this message as it makes my job all the more difficult. I would appreciate if you would just send me a new email so I can find and update your event information more easily

If your event is not listed it is because no one has told us about it. Look at our master calendar at www.ArizMasons.org/calendar to see if we know about your next Masonic event.

Archived issues of this newsletter can now be viewed at www.ArizMasons.org/TheDailySpam.htm. You can also unsubscribe at that site

Masonic Trivia:

Washington Chapter #3 of Portsmouth, NH announced its meetings via the town crier, who received from 6 to 25 cents for his work.

Puzzle:

Six people tried yesterday's puzzle but only Bro Wally George got it right the first time. The final score was 2-1 Home because the game ended when the winning run came in.

Today's puzzle

Each child in a family has at least 4 brothers and 2 sisters. What is the smallest number of children the family might have?
